One month by mail 5c

Subscriptions are strictly cash-in-advance to all and paper will be stopped promptly when subscription has expired.

POLITICAL ANNOUNCEMENTS

The Daily Register is authorized to announce the following candidates for nomination, subject to the action of the Democratic Primary, August 2, 1919:
For Representative
H. C. KICE
T. H. COLLINS
For Representative in Congress subject to the action of the Democratic party and the special election to be

held August 2, 1919, in the Eighth Congressional district:
Of Mercer county.
CHARLES A. HARDIN.

Gov. Black's Appeal

Gov. Black says that official duties will prevent his seeing as many of the voters as he wishes and therefore has to call on his friends for aid, adding: "Mr. Robert L. Faulkner, of Taylor county, and Senator Haynes Carter, of Hardin county, who are managing my campaign, are in charge of my headquarters at the Louisville Hotel, Louisville, and I urge all my friends to communicate with and assist them in perfecting an organization that will aid in bringing out the full vote in the Primary on August 2, 1919." Gov. Black need not worry. The people are for him and will see that his interests are taken care of. The fact is we rarely hear any other name for governor mentioned in this section than his and from what we can hear it is the name all over the State. It would therefore not surprise us that seeing he is so fully the choice of the Democrats, his opponents will withdraw and give him a clear field at the primary. When he is nominated it will be mountains against mountains, with no doubt about the outcome. Gov. Black is loved by all parties in his beloved mountains and will beat Morrow in them as easy as can be. Those who know Black best swear by him and regard his word as good as any man's bond. Republican leaders are shaking in their boots for fear he will be nominated, but they had as well be getting used to it for we are sure he will be nominated and elected most triumphantly. —Stanford Interior Journal.

BOYS BEAT FARMERS

Last year the reports from boys in the Corn Club showed their average yield per acre was 53.44 bushels. The average for the farmers of the State was 31 bushels per acre. Taylor Smith of Garrard produced 135 bushels and Roy Steele of Crestwood shucked 109 bushels and 40 pounds per acre. It is evident the boys beat the farmers.

Burleson Returns Wire

(By Associated Press)
Washington, June 6.—Postmaster General Burleson yesterday issued an order returning the telephone and telegraph systems of the country to private ownership, effective immediately. In a statement accompanying the formal order the Postmaster General declared that the existing laws would remain in effect and that orders forbidding discharge of employees because of union affiliations also would stand.

COSTS \$2 TO GROW WHEAT

Realizing the need of information regarding the cost of producing wheat the Kansas Agricultural Experiment Station conducted an investigation to obtain reliable estimates of the amount and value of the products used in producing wheat. It was found that the cost of a bushel on the 300 farms studied would have been approximately \$2 had an average yield been obtained in 1918.

It was found that the higher the yield to the acre, the lower the cost a bushel, though the cost of an acre increased somewhat with an increased yield. W. E. Grimes, of the Agricultural College, who tabulated the results of the investigation, said: "Better methods and better seed which will increase the yield without increasing the cost excessively are the surest means available to the farmers for increasing his profits in growing wheat."

BLUE GRASS HARVEST ON

A dispatch from Paris says: Preparations for gathering the crop of bluegrass seed which will be ready for the harvester next Monday, are progressing very rapidly. The crop is an average one. Farmers are paying the same prices as obtained last year, drivers getting \$3 per day and rakers \$5 per day. The opening price for the seed has not yet been fixed by the dealers. Quite a large amount is being shipped in Madison county.

The cross roads oracle says: Since a flyin' machine has crossed the Atlantic nobody ought to be willin' to say they're ol' fashioned.

BOWEL TROUBLE

is a common ailment that people are too proud to admit until the danger time is reached. Don't YOU do it. Get a 35c bottle of **DR. Vice Wins From Burley Company

In the Fleming circuit court in the case of R. H. Vice against the Burley Tobacco Company the jury rendered a verdict for the plaintiff in the sum of \$250, and in the same case it found for the defendant, Chesapeake, Flemingburg & Southeastern Railroad Company. The suit was brought by the plaintiff against defendants for damages which he is alleged to have sustained when he was unloading a crop of tobacco in the warehouse and the train was backed in on the switch against his wagon. Mr. Vice is a relative of Mrs. Everett Sandlin, of this city.

The cross roads oracle says: Now the war's over let's start a lot of fights at home so we can have better health, better homes, better schools and better roads.

LIFT OFF CORNS!

With fingers! Corns and calluses lift off. No pain!

Try Freezone! Your druggist sells a tiny bottle for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes and calluses, without one particle of pain, soreness, or irritation. Freezone is the discovery of a noted Cincinnati genius.

TABLETS are sold by all druggists and chemists. They are the only REMEDY for INFLUENZA. They are the only REMEDY for INFLUENZA. They are the only REMEDY for INFLUENZA.

Relieve Your Indigestion With A Laxative

Dyspeptics know that indigestion is accompanied by constipation, and that until the bowels can be regulated so they will act freely and naturally every day at a stated time, swallowing dyspepsia tablets is of little use.

A great and growing number of sufferers from this trouble find immediate and then permanent relief by the use of a combination of simple laxative herbs with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin. The laxative herbs act on the bowels and the pepsin and extracts on the digestive tract, forming an exceptionally effective laxative- tonic.

It is a combination that has been found wonderfully helpful in indigestion, constipation, biliousness, headaches, bad breath, belching and gas on the stomach. A small dose will that is required.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS
In bottles of greatly increased capacity, each containing 100 doses, and absorbing war-time cost increases, this family favorite has been sold by druggists for the past 25 years. It is the Care of Baby.
